#### **EVENT OVERVIEW:**

- **Average attendance: 5,000 - 7,500**
- Primary demographic: middle income, 25-49
- Celebrating 16 years of music in 2025
- Organized by WEQX radio, Sugar Productions, the Downtown Albany BID, and local businesses
- Includes eclectic live music, local vendors, a mass yoga event, and local restaurant and bar specials.

**PearlPalooza is downtown Albany's highly-anticipated all-ages music festival.** Produced by 501(c)3 organization the Downtown Albany Business Improvement District (BID), acclaimed independent radio station WEQX, Albany promotion company Sugar Productions, and Downtown bars & restaurants, the event includes a diverse lineup of locally and internationally-acclaimed musical acts, the Capital Region's only street-wide mass yoga gathering, and high-quality local vendors - all steps away from some of Albany's finest dining, retail and entertainment establishments on the N Pearl Street corridor.

Over the years, PearlPalooza has featured an incredible array of cutting-edge talent curated by WEQX, including Grammy winners **Portugal. The Man** and Grammy nominee **K.Flay**, gold-selling artists **Matt and Kim**, and eclectic favorites like **Phantogram**, **Robert Delong**, **Rubblebucket**, **Fishbone**, and **Galactic**.

PearlPalooza values community as highly as creativity. In 2017, PearlPalooza hosted the Albany area's first-ever mass yoga gathering, YogaPalooza. The event has become a tradition and continues to grow, drawing hundreds of yogis each year. In addition, PearlPalooza serves as a showcase for local businesses, artists, musicians, and vendors, all highlighted prominently on-stage and on the street each year. Downtown bars & restaurants have been integral to planning and organizing PearlPalooza since the event's inception and continue to play a major part in its success.

Primary media sponsor WEQX reaches listeners in the Capital Region, the Adirondacks, southern Vermont and New Hampshire, and Western Massachusetts, with a core audience of 50/50 male and female listeners aged 25-34. The combined promotional channels of WEQX and the Downtown Albany BID reach approximately 22,000 email subscribers and 70,000 followers across Facebook, Instagram, Twitter, TikTok, LinkedIn and YouTube.
